AutoMARK
Ballot Marking Machine

INFORMATION FOR VOTERS WITH DISABILITIES

Currently in Fremont County all polling places are accessible to persons with limited mobility. There will also be at least one (1) AutoMARK marking machine at every polling location. This allows a person with a disability to mark their ballot with little or no assistance whether they have a visual or dexterity disability and then place their ballot in the M100 for tabulation. According to Wyoming Statute 22-13-113(a) "...any elector who requires assistance to vote because of blindness, disability or inability to read or write may be given assistance by a person of the elector's choice, other than the elector's employer or an agent of that employer or an officer or agent of the elector's union." If you need further information you may contact the Election Office.

There are many reasons a voter may wish to use the AutoMARK, please call the Election Office for more details.

WHERE DO I VOTE?

If you have changed your address, call the County Clerk's Election Office for directions to your new polling place.

Ballot Questions to be voted on by all Voters in Fremont County

CONSTITUTIONAL AMENDMENT A

Currently, the Wyoming Constitution allows the legislature to authorize the investment of public employee retirement systems funds and permanent state funds in equities, such as stock or shares in private or public companies. Permanent funds of the state include funds designated as permanent funds by the Constitution. The Wyoming Constitution does not allow the state to invest any other funds in equities.

The adoption of this amendment would allow the legislature, by two-thirds vote of the members of both houses, to authorize the investment of additional specified state funds in equities.

CONTINUATION OF THE GENERAL PURPOSE ONE (1) PERCENT SALES AND USE TAX PROPOSITION

"Shall the Board of County Commissioners of the County of Fremont, State of Wyoming, be authorized to impose a general purpose excise tax of 1% upon retail sales of tangible personal property, admissions and services made within the county, the purpose of which is for infrastructure projects related to streets, roads, bridges, water and sewer utilities. If passed, the tax would be in place for a four (4) year term and resubmitted to voters every other General Election year beginning 2016." FOR THE COUNTY SALES AND USE TAX; AGAINST THE COUNTY SALES AND USE TAX

Ballot Question to be voted on by 3-1 to 3-6, 8-1, 9-1, 10-1, 14-1, 16-1, 17-1, 18-1, 20-1, 21-1 & 22-1

LOWER WIND RIVER CONSERVATION DISTRICT PROPOSED BALLOT PROPOSITION

The Wyoming Legislature has granted Conservation Districts in Wyoming the authority for up to ONE MILL (1 mill) levy which will be imposed on all property within the Lower Wind River Conservation District boundaries. Funds generated by this levy will continue the programs of the Lower Wind River Conservation District to promote healthy soils, clean water, clean air and wise use of our natural resources for all citizens in the District. If this proposition is approved, the tax shall remain in effect until a petition to discontinue the tax, signed by not less than ten (10) percent of the voters of the district,

is received by the Fremont County Commissioners, and the proposal to discontinue the tax is approved by the voters. The proposal to discontinue the tax shall be submitted to the voters of the district at the expense of the county at the next general election or by mail ballot pursuant to W. S. 22-29-115 and 22-29-116 for approval or disapproval.
