MEMO: Regarding Sworn Reports of Valuation

The Assessor's office will no longer be signing affidavits regarding valuation for probate actions.

In probates, the personal representative or his/her legal counsel may draft and submit their own affidavit to the court. In lieu of an affidavit, the Fremont County Assessor's Office will supply a certified copy of the Notice of Value for the requested tax year, which should satisfy the requirements of W.S. 2-7-404 (a)(i)."
